

The Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear The Federal Communications Commission,

I do not want to pay more for my telephone service! I urge you to reject a flat fee proposal that would change how contributions are made to the Universal Service Fund.

Under the flat fee proposal you are considering, people who make few long distance calls would pay the same as people or businesses that make many calls.

I use my wireless phone for safety, security and convenience.

Sincerely,

Ann Kersey
